Introducing Today Matters...

A new ministry is coming to 1st Church! It is "Today Matters Mental Health Ministries". We are all living in a different time in our world and so many people have been impacted by the pandemic with isolation, the loss of loved ones, reduced earnings, etc. Our mission statement starts with being "the voice for the silent" and we know that mental health does not discriminate against age or gender.

Our program is open to those who might live with various mental health illnesses, caretakers, friends and family. Our hope is that you will reach out to anyone that you think would find this ministry beneficial and ask them to attend.

We have special guest speakers planned on various topics who will discuss their

personal trauma that brought them to their knees before rising to make a difference. We all share the same passion and that is to break down the stigma and have open conversations about mental health and how it affects so many.

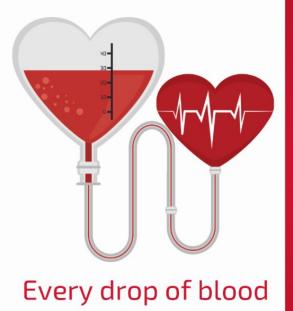

Our program will begin on Saturday, March 20th at 4:00 p.m. in the Life Center. The program will be every month on the 3rd Saturday of the month.

We look forward to sharing this time with everyone in an uplifting way to say "YES we are all in this together" and "no one is alone in their struggles".

We ask that you pray for the success of this ministry and our ability to reach so many who are in need and hurting. We hope to you will join us for our kickoff event on March 20th!

Blessings,

Briyin Butgereit Program Pastor

United Methodist Children's Home Virtual Open House March 27th

With Covid restrictions in place, the Florida United Methodist Children's Home (FUMCH) had to cancel all in person "Open Campus" events scheduled since March 2020. These events would give guests the opportunity to tour the campus, meet the residents and see the mission they support firsthand. This year, the Children's Home will be going virtual, offering a live tour via live stream to all their supporters. The event will feature an update from their President/CEO, testimonials, music from the children and a virtual tour of the home. We encourage you to tune in on March 27, as the FUMCH Open House will premiere at 10 a.m. on their Facebook page, facebook.com/fumch. It will also be available on their YouTube channel and website, https://www.fumch.org, following the event. To access the feed, please click the bold links provided in this article.

Purple Passion Project

For the past two decades, you have supported our youth's mission program each Lenten season. From purple ribbons and quarters to purple envelopes, your faithfulness has helped to send our students on trips to help spread the love of Christ by helping to rebuild homes, business and small communities across our country. This year, the goal is to reach out to those affected by the riots last summer in Kenosha, Wisconsin. The Purple Passion Project allows you, their

church family, to not only show prayerful support, but financial as well. This Sunday, you will see special purple contribution envelopes at our giving stations in the Life Center. Please stop and pick one up before you leave service, pray for this mission and give generously out of love for Christ and our students during this Lenten season. Online giving is also available for this project by going to **whatis1st.com** and clicking our online giving button or using the "giving" option in our Church app. Your gifts are an investment in the spiritual lives of our teens, and we greatly appreciate your generosity.

Word from Worship

Happy March everyone! It is unreal in a way, to realize it's been an entire year since this pandemic turned life as we knew it, upside down. Aside from the all the confusing and negative things that have taken place, ie. face masks, restrictions of all kinds, no friendly hugs etc -- I am proud to say that 1st Church staff stepped up and did an awesome job to provide worship in a different format. Drive- thru communion in our parking lot, Praise in the Park and online worship became our new norm. We have a fabulous media and AV staff!

These events of the past year reminded me of life lessons I've been learning during my long medical journey. I remember the day so many years ago when my doctor told me that I had a chronic metabolic bone disease and was facing the first of three 12 to 13 hour surgeries. Fear overtakes you and you find yourself asking - "will I live through 13 hours of anesthesia?" That was in 1992 and my journey continues today. But what I've learned is, not to be afraid, but just believe. We all face new and uncertain life changes and challenges during our lives. I've been told that I'm courageous, but now I give my fears to God through prayer. I read something from Nelson Mandela that said courage is not the absence of fear, but triumph over it. Prayer helps me triumph over fear and

frustration. I am asking God to keep you mindful of His faithfulness today, so you can remain strong despite whatever fears you're facing.

Special thanks to all of you who have supported our prayer group (RPM) on Thursdays.

Have a blessed week!

Rosie Young

Worship Coordinator

The Eighth Note – Music Ministry in a Minute!

Greetings Everyone,

So what is Lent?

Lent is a forty-day season of the church year beginning on Ash Wednesday and culminating with "The Great Three Days" or "Easter Triduum", which includes Holy Thursday, Good Friday and Holy Saturday. The church used this time to prepare new converts for baptism and later as a time of penance for all Christians as the church journeys with Jesus toward Easter.

Starting on Ash Wednesday we are confronted by our own mortality and sin and are told "Remember that you are dust, and to dust you shall return." and "Repent, and believe the Gospel.". Lent recalls Jesus' temptation by Satan in the desert, Christ's triumphal entry into Jerusalem, The Last Supper, and Jesus' death and burial.

What liturgical changes happen in Lent?

Altar paraments and stoles change to purple. The sung Gloria Patri is replaced with a Kyrie (Lord, have mercy). All "Hallelujahs" and Alleluias" are omitted until Christ's joyful resurrection on Easter Sunday.

Lord help us to take up our cross and make the healthy changes we need in our lives.

Habitat for Humanity Apostles' Build Project

We are one of 9 churches working with Habitat for Humanity to build a home in Port Charlotte for Eugene Rihl, a single dad and his two year old son Carson. Eugene is a marine mechanic and is very excited about realizing his dream as the Apostles Build homeowner for 2021. Our commitment is to provide volunteers and to raise \$4,200 to help with costs. On January 10th and 17th many of us were able to write a blessing on 2x4s which will be used for the interior walls. Twelve 1st Church volunteers

worked on the home Saturday, January 30th. Donations are welcome. Please indicate 'Apostles Build' on your offering. For more information, call Wayne Sharp at 612-867-3017or **sharpww@me.com**.

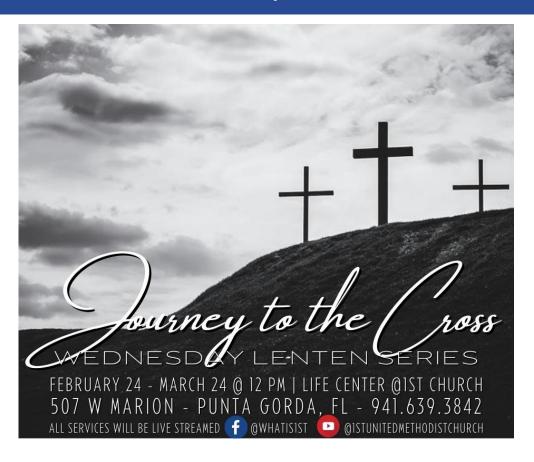

Higher Education Scholarship Birthday Box

The Scholarship Committee would like for our Bridge readers to remember the "Birthday Box" donation program with an opportunity to contribute to the higher education scholarship fund for our future recipients. During the month of your

birthday, consider donating one dollar for every year old that you are. For example, if you are 50 years old, you would donate \$50. If you desire to financially support this program, you can drop off your donation to the Birthday Box located in the church office foyer. Also, there are Birthday Box envelopes located in the Life Center on the information table. Just place your donation in the Birthday Box envelope and place in the collection basket. May you have a happy birthday by donating a blessing to a future recipient!
