Additional details about many of our Fall activities

We have recently done some rebranding at the church particularly our name. (No need to worry, our programs will remain as fun and enjoyable as always). Please note that on emails and other written communications, we will now be known as "New Life Youth Group". To celebrate, this summer we have been giving away our newly "Minted" youth group T-shirts! If you haven't gotten yours yet you can pick up a free New Life Youth Group T while supplies last at youth group the next time you attend.

Sunday afternoon Youth Group this coming semester

We have several special events happening this semester like the Operation Christmas Child Packing Party, Another Escape room event is being planned and much more. So, our recommendation is to check our youth webpage or our Church Center App regularly for updates. When we do meet keep in mind the time of our Youth Group in to coincides with the Children's Ministry. Both groups will be meeting from 4pm to 6pm with dinner about ½ way through the programs. This month we will meet as normal each Sunday afternoon in August 7th, 14th 21st and 28th. We will not meet on Labor Day weekend September 5th.

Teen Confirmation Class

This is an opportunity for students to learn more about God, His son Jesus Christ, and how much He loves us. In this class you will learn what baptism is, what communion means, as well as several other traditions we do at church that may need a bit more of an explanation as to why we do them and what they stand for. It's the class students take to become a member of our church as a teenager. Classes are just 1 hour in length and there are only 4 classes in total. If you are interested in finding out more, please contact Pastor Tim ASAP as classes will start this fall.

We love to support our teens in all the "Extra" stuff student participate in outside of school

We want to cheer you on at your after school and weekend extracurricular events and activities. We love shouting and clapping as students perform whether that's on the court, field or stage. We enjoy watching drama productions and plays, attending chorus concerts and band recitals, going to art shows and dance showcases, watching students perform in parades and other community activities is fun for us to. Please forward us your athletic schedule or special event calendar and we will do our best to come out and support your hard work and dedication to the activities you love to do.

YoungLife and WydLife Clubs will resume again very soon

YoungLife a fun faith based program that for just High Schoolers that usually meets at the Town Center Mall. WydLife is for Middle School students and meets at our local middle schools one day a week immediately following dismissal. Be on the lookout for the schedule of when these groups will meet this semester and consider joining these amazing organizations with your friends whenever your schedule allows.
