

***Unashamedly Wesleyan**

The Wesleyan Revival which began in the 18th-century, led by the Reverend John Wesley, transformed both England and the newly-formed United States of America. This Revival was characterized by the following:

- A warm-hearted devotion to Jesus Christ
- The conviction that all are in need of the Grace that God offers through Jesus Christ
- Certainty from Scripture that the Grace of God is for all
- The assurance that all can know that they are saved by grace through faith
- A passion for offering the saving and sanctifying grace of Jesus to all
- A deep commitment to serving those in need

We remain committed to the spirit of that revival.
